

Thank You for Being a Ministry Partner with Us in Reaching Children for Christ

August 2008

Dear Ministry Partner,

First and foremost “thank you” for your continued prayer and financial support. The Lord continues to keep us on our toes. “For the harvest is truly plentiful and laborers are few. But pray to the Lord of harvest that he may bring more laborers” The field in Africa is ripe for harvest. There is no such a time as this in the history of the continent where we are witnessing a hunger and thirst for souls. Awana is becoming a giant in influencing churches to be on the cutting edge in winning millions of children, mums and dads with the gospel of Christ and we praise God for the doors that are opening every day.

The past two months, I went to Zambia to speak at the two, 4-14 conferences one was in Lusaka the capital and the other one was in Kabwe, a city 100km north of Lusaka. In both conferences 70 church leaders attended. The good Lord moved in these conferences. Over 50 churches have signed up for a seed planters conference. Pastors were in tears of repentance for the neglect of children’s ministry and we are seeing a mighty move of the spirit of God. Two thousand kids are going to be reached with the gospel within the next 3 months. God is at work.

I proceeded to a seed planters conference in June and the Lord brought 57 churches on board to start Awana. The week of training was a blessing to see pastors who had come earlier for the 4-14 Forum coming back again for the seed planters conference. The Lord has blessed this conference because as of now over 40 churches have already started the LBM clubs.

We are now receiving Macedonian calls from other denominations that cannot wait for another round of seed planters conference. As I am writing these churches are going to organize their own 4-14 Forum followed by their own seed planters conference. They said all we want is for you to come and speak. What a blessing to see revival taking place in the heart of pastors and having a burning passion to will children with the gospel of Christ. Kenya is poised to be a will fire for Jesus and within the next year or two, we are going to see a mighty army of churches reaching to boys and girls with the gospel of Christ.

Within a month we have imparted over 150 church Pastors and leaders and 200 new Awana leaders have been trained and already over 2000 children are being reached for Christ. Glory to God.

Current Prayer Requests:

1. Pray for safety in travelling.
2. Pray for 50% support that we need in order to do our ministry effectively.
3. Pray for more conferences ahead in Tanzania, Uganda and Ghana.

Love in Christ,
